Report of Principal and School Improvement Council

The 2009-2010 academic year at Riverside Middle School proved to be a time of reorganization and reevaluation due to administrative changes at the school and district levels. Characteristically, our students, parents, staff, and community came together to support and advance the pursuit of excellence, not only in learning but also in character development and the overall educational environment. Since being named Palmetto's Finest Middle School two years ago, the school has continued those programs that proved successful, making a smooth transition to new leadership.

At the core of our success in student learning is a positive school atmosphere. Good relationships between students and teachers, demonstrated by the minimal behavior and discipline problems and a 97% teacher retention rate, are reflective of this quality. Commendable behavior and character traits of students were often noted by faculty and rewarded by the Student of the Month Program, as well as other student incentives and rewards, such as quarterly block parties and perfect-attendance bingo games. New to Riverside's successes this year is the Man-Up Program, a mentoring effort by male faculty and staff for eight-grade boys.

Continuation of successful programs structure Riverside's day. The Morning Assembly Program, a trademark of Riverside, starts the day with a focus on purpose as guest speakers offer "Words of Wisdom." The breakfast-in-the-classroom program further prepares all students for the tasks at hand. Continuation of the RISE program, a required study session for students demonstrating need, provides the avenue for learning success of all students.

This year several steps were taken to find solutions to the identified needs of improved parental involvement and communication. A goal of 100% parental involvement was achieved as a policy of parent signatures on grade sheets was mandated and overseen by the principal. Riverside worked in conjunction with the District Office in implementation of Parent Portal, a system providing secure internet access of a student's data to parents. An active PTO and SIC contributed by encouraging parent volunteerism in support of school needs and activities and communication efforts.

In a year made difficult by challenging financial issues, Riverside Middle School continues to thrive. Commitment to the Anderson District 4 goal of providing "opportunity for all learners to achieve," the Riverside Middle School family welcomes the challenge and will continue to provide the effort necessary to meet that goal.
